Business Arising from Minutes.

. Paul sent email as requested to the Tasmania Road Safety Advisory Council requesting funding support and TMC to put advert together for Motorcycle Safety campaign.

. Tasmania Road Safety Advisory Council wrote back in disagreement to Paul's comments and declined the request for funding.

. Meeting had no idea where the Tasmania Road Safety Advisory Council got their data from so it was agreed Paul need to respond and seek evidence of the data quoted, as the data we have comes from MAIB.

. Paul read out two extracts from the MAIB Act 1973 Exclusions sector, current since amended 8/5/19 to now - 12/2/21 - when printed by Paul. There were 3.5 pages of Exclusions material.

Section 24, sub section (2) (b) said non licenced drivers were excluded from funding and sub section (g) referred to persons use of vehicle without the premium paid or should have known not paid were excluded. Yet MAIB figures, for the last 4 years, show 129 persons paid where they were in the above-mentioned Exclusions.

Given the above,

. Meeting resolved that we need to seek legal advice forthwith. Simon and Paul to meet Geoff of Douglas and Collins next week.
