Notes

**** Serious Claims**

Serious Claims headings represent the following:

- Serious includes fatal claims and/or claimants admitted to hospital for one day or greater.

***** Licence Groups**

Licence Groups include the following Licence Types:

- Full - only the Full Tasmanian licence type
- Novice - Novice L, Novice P1, Novice P2 and Learner (previously held a full licence) licence types
- Other - all other licence types - Note that many of these claims may be rejected, so serious injures cannot be identified
